Partnering with
St. Jude Children's
Research Hospital
and
Be the Match

About the foundation:

This Foundation was created in 2010 to honor the life and memory of Robert David Abrusley Jr. His love of people and charitable heart continues on through this Foundation and its work. We are excited this year to once again be partnering with St. Jude Children's Research Hospital and Be The Match. For the past nine years through this event we have been able to use this money to help families all across the country with the main focus being right in the heart of our home in Central Louisiana. Over \$340,000 has been donated in David's memory to St. Jude Children's Research Hospital as well as \$125,000 in scholarships at David's High School Alma Mater, and over \$35,000 in Christmas gifts and food donations during the holidays to local families in need.

This is all done with your help and generous contributions.
